Remarks

VOIP/ SIP Termination is free

PSTN / Mobile Termination is on a pre-pay basis – client is to ensure sufficient funds are in their account to allow call forwarding.

ORB Telemedia applies wholesale rates to clients for pre-pay forwarding - cost per minute to forward to example UK Mobile 4478947xxx is 0.018 GBP per minute

Rates are shown without VAT except end user cost.

Forwarding pre-pay costs. example, if you are receiving calls amounting to 3 hours per day, 7 days a week, the pre-pay guidance for 31 days would be $31 \times 0.018 \times 180 = 100.44 + \text{VAT} = 120.52 \text{ GBP}$

Pre-pay can be paid at any time in increments or larger sums – credit can be used for all voIP and forwarding services, refunds of balances only when no active forwarding exists, subject to amounts being over 20GBP

Payment terms are 45 days from end of month of dialing – transfer is made by bank transfer.

This rate offer is valid for one month from receipt.

Domestic numbers are not usually expected to be accessible from outside France, there are very few exceptions to this.

Initial Order example :

3 months, lease x 12.50 EUR = 9.89 gbp x 3 = 29.67 gbp

one months pre-pay, 100.00 GBP

total payable : 129.67 GBP + VAT = 155.60 GBP
