**Applicable Notes:**

**Times of Day (tod) - UK Local Times**  
 Peak - (P) Mon-Fri 7am-7pm | Offpeak - (O) evenings & night-time Mon-Fri before 7am & after 7pm | Weekends (W) - All day Saturday and Sunday

**Pricing**  
 All pricing on these pages are in pence per minute, a positive value is payable to ORB Telemedia Ltd, and a negative value - indicates a rebate due from ORB Telemedia Ltd. Further terms and conditions exist.

**Guidance.**  
 ORB Telemedia offers wholesale services for enterprise clients and other operators, volume discounts and rebates are applied as appropriate, depending your business / status, partners with bilateral agreements / negotiated term contract holders / local government / charity and other organisations automatically qualify for gold status irrespective of volume, in case of doubt - speak to us first.

**FreePhone Numbers.**  
 FreePhone, numbers are free for callers to call, the price you pay for receiving the call is shown in the tables. You must have sufficient funds in your pre-pay account to cover this. The extraordinarily high cost for receiving calls from payphones applies to registered public phone boxes - which send additional billing levies. In the unlikely event a levie is identified as having been charged wrongly it is refunded. Optionally ORB Telemedia Ltd, can upon request block calls from public payphones.

**Premium Rate Numbers**  
 We advise all clients, that compliance with the codes of practice as laid out by phone pay plus, must be adhered to at all times, some services may require prior permission. The rebates shown are without VAT - for bespoke services, and routing options consult with your customer service manager.

**PrePay**  
 Clients must keep sufficient funds in their pre-pay accounts for onward forwarding or receiving freephone calls.

**Personal Numbers**  
 Revenue share for end users on personal numbers, is not permitted, the rebates shown are for resellers and interconnected telecom carriers, on the understanding end users do not receive any revenue share. End users of personal numbers should contact their customer service manager for advice, in most cases ORB Telemedia Ltd, will route calls for end users to fixed or mobile numbers without further cost. Contact us for details.

**UK Wide 033x Numbers**  
 End user revenue sharing is not permitted on 033x numbers, the rebates shown are for interconnected telecom carriers and operators, and partner resellers.

**Landline Numbers**  
 Rebates shown are only applicable to SIP routing, automatic capacity limits are set, to remove limits - contact your account manager.

**Origins**  
 Int - refers to international origins, Dom - refers to domestic (UK) origins - the origins are determined automatically by the switching systems and interconnections, irrespective of the CLI
